

Cooking Camp at Small Planet!

SMALL PLANET COOKING CAMP!

JOIN US at the Small Planet for an afternoon Cooking Camp!

We will experience food at a very basic level. We'll be learning about and preparing ingredients, and using the those ingredients to create amazing food! Each day we'll prepare a snack together.

Cooking Camp will be led by our own Donna Antonucci. Donna has over 30 years' teaching experience with children. She is also an excellent cook!

LET'S COOK!
